

Remarks

Claims 21, 22, 25-31 and 34-40 are pending in this application. By this Amendment, claims 21 and 30 are amended for form. No new matter is added.

Applicant respectfully submits that the amendments to claims 21 and 30 should be entered under the provisions of 37 C.F.R. §1.312 and MPEP §714.16 because they (1) merely embody the correction of a formal matter without changing the scope of the claims; (2) are needed for proper disclosure or protection of the invention; and (3) will not require substantial additional work by the examiner. This Amendment was not presented earlier because Applicant's representative became aware of these informalities after allowance.

In view of the foregoing, consideration and entrance of the Amendment After Allowance is respectfully requested.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
